Ref: 06-F-0839

Ms. Marina Walker Guevara
The Center for Public Integrity
910 17th Street NW, Suite 700
Washington, DC 20006

Dear Ms. Walker Guevara:

This is the final response to your January 19, 2006, Freedom of Information Act (FOIA) request for “[a]ll funds, broken down by each recipient country and the purpose for which such funds were used, obligated or disbursed from FY 1998 to FY 2006 under the Department of Defense ‘Drug Interdiction and Counter-Drug Activities’ program.” I apologize for the delay of this response, which was caused by the need to consult with another Department of Defense (DoD) component.

The Office of Special Operations and Low Intensity Conflict (SOLIC) has determined that the enclosed 25 pages of material is responsive to your request and appropriate for release without excision. SOLIC has advised this office that the DoD does not budget counter narcotic programs by region or countries, but by programs. Therefore, the enclosed data is the best information available that is responsive to your request. In a telephone conversation between Mr. Nathaniel Heller, of your office, and Mr. Aaron Graves, of this office, Mr. Heller agreed that the information in this form would be acceptable as responsive to your request.

There are no fees associated with this response. Inasmuch as this constitutes a grant in full of your modified request, I am closing your file in this office.

Sincerely,

A handwritten signature in cursive script that reads "Karen M. Ginnegan for".

Will Kammer
Chief

Enclosure:
As stated
