

**U.S. Defense Department Reports to Congress
Section 333 Building Partner Capacity**

Dear Database User,

We are pleased to share with you the below data from this Defense Department report to Congress: **“Section 333 of Title 10, U.S. Code, to build the capacity of the national military or national-level security forces of Burkina Faso, Djibouti, Nigeria, Tunisia, Jordan, Lebanon, Oman, Albania, Azerbaijan, Bosnia and Herzegovina, Bulgaria, Croatia, Georgia, Kosovo, Macedonia, Moldova, Romania, Poland, Serbia, Turkey, Ukraine, Indonesia, Malaysia, Philippines, Bahamas, Mexico, Argentina, Panama, and Peru so that they may conduct counterterrorism, counter-transnational organized crime, counter-illicit drug trafficking, counter-weapons of mass destruction, military intelligence, and maritime and border security operations.”**

This report was submitted to the U.S. Senate Armed Services Committee on December 6, 2018. We reviewed and copied down the data from this report with the assistance provided by the U.S Congress in December 2018.

We hope you will find it useful for your work. For questions or comments, please contact Christina Arabia at carabia@internationalpolicy.org.

Sincerely,

Christina Arabia
Director, Security Assistance Monitor

DoD Notification to Congress on Planned Section 333 Aid on April 27, 2018
Security Assistance Monitor

YEAR	COUNTRY	PROGRAM	AMOUNT	ITEM
2019	Djibouti	Section 333: Building Partner Capacity	\$10,550,000	Maritime Domain Awareness/Maritime Security: Communications and electronic equipment, maritime VBSS equipment, small-scale construction, and operational training and services.
2019	Djibouti	Section 333: Building Partner Capacity	\$32,995,000	Rapid Intervention Battalion: Weapons, ammunition, explosives, accessories, vehicles, spares, organizational clothing and individual equipment, communications and electronics equipment, medical equipment, training systems, aids, and devices, and operational training.
2019	Burkina Faso	Section 333: Building Partner Capacity	\$7,490,000	Counterterrorism Company: weapons, ammunition and ancillary items, vehicles, medical equipment, organizational clothing and individual equipment, communications, electronics and night vision equipment.
2019	Nigeria	Section 333: Building Partner Capacity	\$6,050,000	Air- to -Ground Integration – Phase II: Communications and electronics equipment, night vision devices, thermal imaging and optics, operational training and services.
2019	Nigeria	Section 333: Building Partner Capacity	\$1,070,000	Counter- Illicit Drug Trafficking: Communications and electronics equipment, vehicles and ancillary items and operations and technical training.
2019	Tunisia	Section 333: Building Partner Capacity	\$7,535,000	Air-to-Ground Integration Capability – Phase I: Communications and electronics, night vision devices, thermal imaging and optics, and operational training including.
2019	Jordan	Section 333: Building Partner Capacity	\$5,302, 000	Secure Communication Network Program: communications and electronics equipment.
2019	Jordan	Section 333: Building Partner Capacity	\$24,960,000	Jordan Border Security Upgrade Program: communications and electronics equipment and upgrade command center server.
2019	Lebanon	Section 333: Building Partner Capacity	\$39,195, 000	Rotary Wing Close Air Support – Phase II: aircraft spares and equipment, weapons ammunition, explosives and accessories.
2019	Lebanon	Section 333: Building Partner Capacity	\$28, 550,000	Dismounted Infantry Operations – 4 th Land Border Regiment: weapons, ammunition, explosives, and accessories, night vision devices, thermal imaging, optics and accessories.
2019	Lebanon	Section 333: Building Partner Capacity	\$1,940, 000	Dismounted Infantry Operations – Mukafaha Intervention Section: weapons, ammunition, explosives and accessories, night vision devices, thermal imaging, optics and accessories.
2019	Lebanon	Section 333: Building Partner Capacity	\$35,150,000	Mobile Protected Firepower: vehicles, spares, and equipment.
2019	Oman	Section 333: Building Partner Capacity	\$25,170, 000	Unmanned Aerial System (UAS) RQ -21 Blackjack: communications and electronics, unmanned aerial system equipment.
2019	Azerbaijan	Section 333: Building Partner Capacity	\$34,525,000	Southern Border Security – Phase II: communications and electronics equipment, vehicles, spares, and construction equipment, maritime interdiction equipment, organizational clothing and individual equipment,
