**HHS:**
- Working with PAHO and USAID to conduct hospital surveillance/assessments at 12 hospitals in PaP

**NGO/Business Engagement:**
- GE donated 5 Mobile X-Ray units; 4 Anesthesia systems with ventilators/monitors; 10 portable ultrasound & 2 pallets of surgical/trauma/medical supplies

**UN-OCHA:**
- Joint Operations and Tasking Center (JOTC) developed procedures to request military/police assistance to support humanitarian relief operations
- Crowd control requirements at food distribution sites remain a concern
- Inflated prices for food and other essentials are contributing to rising tensions among the population

**GoH:**
- Haitian parliamentarians plan to ask President Preval to postpone upcoming elections and extend their terms by two years

**WFP:**
- The WFP stated the Haitian Crisis is the most complex challenge they have ever confronted, however the 16 fixed food distribution sites will facilitate reaching more people and provide the capability to deliver all kinds of aid to the people of Haiti
- The 16 sites are an important step towards food stability in Haiti

Operation UNIFIED RESPONSE

Key Points (USAID Sitrep #35; UN OCHA Sitrep #15)

Settlements: GoH agreed to limit planned settlements to no more than 10,000 residents

Nutrition: Support needs for affected infants, children, lactating mothers, and pregnant women

Food: Coupons distributed for 16 WFP distro sites; Rations to be available starting 31 January

Shelter: Cluster bringing in materials to prepare for May-November rainy season

Health: Camp established on Dom Rep border to repatriate the 14,000 Haitians who left for med care

Protection: USAR teams donated tents for child spaces

GoH: USAID locating ministry operating tent sites

Logistics: Unstable crane threatening PaP port capacity

WASH: Latrine materials incoming; water distros to orphanages started

Goals to close gaps:
- Joint rapid assessment ongoing for multiple sectors
- WFP requesting mil security to fill MINUSTAH gap
- Food & shelter are GoH priorities (Montreal mtg)
- Relief orgs pushing latrine digging at settlements

• Int’l Humanitarian Community (potential) requests for DoD:
  Rotary Lift, Enable Security for Food Convoys, Port Assessment & Security, Engineering, Enable Transport of Relief Supplies, Source Ready-to-Eat Meals

Countries providing support: 109 (UN OCHA/DOS)

• NGOs registered at PaP airport: 500

• USG Response: $401 M (increase of $3 M)
